Full Job Description

Affiliation: MoveUP

Employment Status: Co-op Student

Salary: \$21.87 Hourly

Temp Duration: 4 or 8 Months

Workplace Flexibility: No

Posting End Date: Open until filled

We're a Canadian-owned and BC-based energy company taking steps toward a lower-carbon energy future by providing renewable energy, natural gas and electricity to more than 1.2 million customers.

We're looking for new talent to join us as we transform BC's energy future. Our diverse team of more than 2,600 employees is committed to a safe and inclusive culture where each of us can connect, belong and grow. Join us and let's work together for a better BC. Responsibilities

Under the direction of the Manager and IS Operations Lead this co-op student will be responsible for:

- First level technical support for all FortisBC personal computing and related equipment
- Perform upgrades, installations, and preventive maintenance tasks
- Loading and configuring of laptops and desktops for end user deployment
- Update corporate software records and documentation

Provide support to the IS project teams
Action user support requests Requirements
Currently enrolled in Computer Information Systems or equivalent program
Microsoft training
Network infrastructure training - Cisco
IP telephony training
Valid class 5 BC drivers' license Additional Information
Co-op to start January 2023.

Our engaging workplace offers a wide range of challenging opportunities, while being safe, inclusive and diverse. We offer a competitive salary and benefits package, while supporting life-long career development. We also encourage volunteerism and nourish the need to give back to your community.
